Team administrators will try their best to place individual players onto a team. Due to limited space per team not all individuals will be guaranteed a team. Fees will then be refunded. At a later date individual players not placed on a team have the option to be a sub.*

*Every **Sub player** will not be charged a fee but is **NOT** guaranteed playing time! Participants play at their own risk, the Town of Niverville is not responsible for any injuries sustained.*

Weather cancellations will be made at your own discretion; however, no games should be played during thunderstorms.

Captains are responsible to contact each other prior to a game being cancelled due to scheduling conflicts. They must decide what time to make up this game as soon as possible. Captains must insure that if a team member can not play that a substitute player is arranged 24 hours prior to the game. Games cancelled due to weather will be scheduled for make up by administrators. Team Captains will be responsible for contacting administrators in such circumstances.
