

NEW COMPOST SITE FOR 2020

Residents are asked to note that the location for dropping off grass clippings and leaves has changed to 736 Schultz Avenue (Niverville Business Park). The compost site behind the curling rink is now permanently closed. Branches need to be brought to the local transfer station or a landfill site of your choosing—they will not be accepted at this site.

Hours of operation will be: Monday–Friday: 2:00 pm–7:00 pm
Saturday: 10:00 am–4:00 pm
Sunday: 1:00 pm–6:00 pm

Site will be opening in May. Please do not dump at the site until it is open. Stay tuned to www.wheretheybelong.ca for an announcement regarding the official opening date. Please note that the site is under 24 hour surveillance.
