Did you know?

Niverville's dike is located on Wallace Road, Crown Valley Road, Stott Road and Sixth Avenue and was built to 1997 flood levels plus 2 feet of freeboard. In the event that the Province dictates that

they will be closing the dike on PTH 311 west by Wallace Road, traffic along PTH 311 would need to take an alternate route.

The Town of Niverville has an Emergency Plan in place to manage emergency situations that may arise. In the event that an emergency happens in the Town, volunteers will be needed to help with the response to and the recovery from the emergency. If you are interested in helping your neighbours during emergencies, please contact the Town Office at 204-388-4600 ext. 101 or email feedback@whereyoubelong.ca Training is available for volunteers.

Residents are encouraged to sign up for Town e-news and to follow the Town on Twitter, Facebook and www.whereyoubelong.ca for announcements when emergency situations arise.
