### Open-air fire permit required

19(1) Subject to subsection (2), no person may set any open-air fire within the Town, and the owner, occupier or person in charge of any premises may not permit any open-air fire to be set or to remain lit on any premises of which he or she is the owner, occupier or person in charge, unless a Designated employee has issued an open-air fire permit authorizing the fire.

### Rules regarding all open air fires

24(1) A person in charge of an open-air fire must ensure that

- (a) the fire is always supervised by a person 18 years of age or older until and unless it is fully extinguished;
- (b) the fire is always kept under control;
- (c) an adequate supply of water, sand or some other means of controlling and extinguishing the fire is readily accessible;
- (d) the fire is not set or maintained in conditions or locations which will or could result in:
  - (i) smoke which causes a nuisance or irritation to people on adjacent properties;
  - (ii) reduced visibility on any highway or road;
  - (iii) a rapid spread of fire through grass or brushed area;
- (e) the fire is not set or maintained when the wind exceeds 25 kilometres per hour;
- (f) if the fire becomes uncontrollable or spreads beyond its assigned limited, the Niverville Fire Service is alerted by calling 911;
- (g) the fire is maintained within an approved receptacle;
- (h) the fire is maintained a minimum of 3 metres (10 feet), as measured from the nearest edge of the fire, from any combustible buildings or structures, combustible fences, trees and overhead wires; and
- (i) only clean, dry, unpainted and untreated wood is burned and no grass, leaves, brush or tree pruning's are burned in the fire.

### Permit authorizing variations of general rules for fires in receptacles

24(2) A Designated employee may issue a permit authorizing a fire that does not strictly comply with subsection 24(2) where the Designated employee is satisfied that doing so will not expose people or property to undue risk.
