Effective June 1, 2021, the Town's Residential Recycling Collection will be done by Green Acres Disposal Services, a privately owned company operating out of the Winkler area. This company services the rural areas around Morden, Winkler and Altona as well as the RM of Montcalm. They are excited for this new venture and to get to know the community better as they serve the Town of Niverville.

Please note this change in service provider does not affect the collection schedule or the types of recyclable items that can be put out for collection.

Questions? Email: feedback@whereyoubelong.ca

On Collection Day these regulations must be followed:

PREPARE IT All acceptable recyclable materials must fit into the container and the lid **MUST** close or the recycling cart will not be emptied. **NO EXTRA MATERIAL WILL BE COLLECTED.** Do not jam or pack items into your cart. Items must fall freely from the cart into the truck.

PLACE IT Place your cart on the street with the wheels against the curb, with **at least 3 feet of clearance** between the cart and any obstacles. If you do not have a curb, place just off the roadway on the shoulder. **Carts MUST be out by 8:00 a.m. on your collection day.**

PARK IT By 11:59 p.m. on your collection day, your cart must be removed from the street and returned to its storage location near your building.

If in doubt as to whether an item is acceptable and for full details, please visit Waste & Recycling on www.whereyoubelong.ca.
