

Public Hearing 2024 Financial Plan

On **April 16th, 2024 at 7:00 p.m.**, residents are invited to join Council at the Niverville Community Resource & Recreation Centre, 501 Centre Street, Niverville, for a Public Hearing where Council will hear any person who would like to make a presentation, ask questions or register an objection to the 2024 Financial Plan as presented.

A copy of the 2024 Financial Plan is available for review and may be examined by any person during regular office hours at the Town Office, 329 Bronstone Drive or online here: <https://www.whereyoubelong.ca/town-services/financial-services/>

Eric King, CPA, CGA
Chief Administrative Officer
Town of Niverville

NEW Fire Prevention and Emergency Services Bylaw #862-24

The Town of Niverville has consolidated its three fire bylaws into one! It is now easier than ever to find fire information that you may be looking for! In this new Bylaw, you can find info on:

- Burning Bans
- Fireworks Permits
- Smoke Alarms
- Barbeques
- Fire Pits
- And More!

You can read the entire bylaw at www.whereyoubelong.ca/town-services/resources/bylaw-policies-reports/

Proposed Core Water Main Project Survey

Have you had a chance yet to fill out the survey regarding the proposed Core Water Main project? If not, don't worry! You can find a link to the survey below. If you have any questions, feel free to email feedback@whereyoubelong.ca

TOWN OF NIVERVILLE PROPOSED MUNICIPAL PESTICIDE PROGRAM

Public Notice is hereby given that the Town of Niverville intends to conduct the following Pesticide Control Program during 2024:

1. To control noxious weeds on road allowances, public preserves and parks within the municipality, the Town may use the herbicides Fiesta, Round Up, 2-4-D Amine 600, and Curtail M. The Program will run from May 1st, 2024 to October 31st, 2024 using a ground sprayer.
2. To control populations of nuisance mosquitos, the Town may larvicide using Aquabac 200g.

This Program will commence from May 1st, 2024 to October 31st, 2024.

All pesticides and procedures applied will be in accordance with federal laws and recommendations of the Manitoba Department of Agriculture.

The public may send written submissions or objections within 15 days of the publication of this notice to the department below:

Manitoba Conservation & Climate
Environment Approvals Branch
1007 Century Street, Winnipeg, MB, R3H 0W4

Travel Health Consultations

Planning to travel? Whether it is for personal or business, it is important to protect yourself from the diseases of that country's origin. This is to protect you, the traveler, and also prevents diseases from spreading between two countries.

What is a Travel Health Consultation?

A travel health consultation is a personalized consultation with Dr. Chris Burnett, who has a passion for travel and is ITSM certified.

Once your initial consultation is booked, the clinic will send you a questionnaire that will help Dr. Burnett personalize his advice specifically to your needs.

During the consultation Dr. Burnett will discuss:

- Recommended and mandatory vaccines
- How to identify and reduce potential health risks
- Potential illnesses you may be exposed to
- How your current and past medical history may affect your trip.
- And more!

At the conclusion of your appointment, you will receive an electronic handout outlining the details discussed during your consultation.

What to bring to your appointment?

- Your Manitoba Health Card
- All your current medication (not just a list)
- Copy of your travel itinerary

Please try and arrive 10 minutes before your appointment time. You should allow for 30-45 minutes for your appointment.

Current Prices List

- Initial Consultation - \$100
- Family Consultation - \$300*
- Additional Children (max 5 total) - \$50
- Immunization Record - \$10

*Family consultations consist of 2 adults and 2 children

Sump Pump Hose Reminder

A friendly reminder to residents that per By-law 823-20, all sump pump hoses and downspouts must drain onto your own property. They are not allowed to drain onto any public area, including the areas around retention ponds! This helps keep our public areas accessible to everyone!

Please Pick-up After Your Pet!

Pet owners, as the weather warms up and you begin walking your pets in earnest, make sure you are picking up after your animal. Do your part to help keep our community clean!
