Homeowners Affordability Tax Credit

The Government of Manitoba introduced the Homeowners Affordability Tax Credit of up to \$1,500 on the education portion of property taxes in Budget 2024/25. This credit replaces the School Tax Rebate and Education Property Tax Credit for residential properties for the 2025 tax year.

The Homeowners Affordability Tax Credit (HATC) applies only to residential properties that are designated as principal residences. Farm properties will continue to receive the Manitoba School Tax Rebate, which is maintained at 50%. There are no provincial property tax credits or rebates to be applied to commercial properties.

You can learn more about property taxes in the Town of Niverville by visiting www.whereyoubelong.ca and clicking the page "Taxes and Tax Information" in the menu.

Please Pick-up After Your Pet!

Pet owners, as the weather warms up and you begin walking your pets in earnest, make sure you pick up after your animal. Do your part to help keep our community clean!

Sump Pump Hose Reminder

A friendly reminder to all residents that as per By-law 823-20, **all** sump pump hoses and downspouts must drain onto your own property. Pumps are not allowed to drain onto any public area, including the areas around retention ponds. This helps keep our public areas accessible to everyone!

Town of Niverville Proposed Municipal Pesticide Program

Public Notice is hereby given that the Town of Niverville intends to conduct the following Pesticide Control Program during 2025:

1. To control noxious weeds on road allowances, public preserves and parks within the municipality, the Town may use the herbicides Fiesta, Round Up, and 2-4-D Ester 700. The Program will run from May 1st, 2025, to October 31st, 2025, using a ground sprayer.
2. To control populations of nuisance mosquitos, the Town may larvicide using Vectobac 200g.

This Program will commence from May 1st, 2025 to October 31st, 2025.

All pesticides and procedures applied will be in accordance with federal laws and recommendations of the Manitoba Department of Agriculture.

The public may send written submissions or objections within 15 days of the publication of this notice to the department below:
